HYNIX SEMICONDUCTOR U.K. LTD., and
HYNIX SEMICONDUCTOR

Plaintiffs,

v.

RAMBUS INC.,

Defendant.

No. C-00-20905 RMW

ORDER

[Re Docket Nos. 3967, 3970, and 3974]

The court has received Rambus' administrative motion seeking to seal certain portions of the record from the 2005 Unclean Hands Trial and a motion for modification of the June 20, 2001 Protective Order to expand it to cover trial and appellate proceedings and address the level of confidentiality applicable to specific trial testimony and trial exhibits. Hynix opposes both motions. Rambus has since filed a motion for a protective order, covering the administrative requests. The parties have stipulated to a briefing schedule and have requested a hearing on shortened notice. The court agrees that the issues presented by Rambus' requests justify full briefing but does not believe oral argument will be necessary.

ORDER
C-00-20905-RMW
TER

1 Accordingly, Hynix's opposition papers shall be filed and served by July 6, 2009, and
2 Rambus' reply papers shall be filed and served by July 10, 2009, pursuant to the parties' stipulation.
3 The court will then either decide the matter on the papers or set it for hearing.
